

GENERAL NOTES TO SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

The Debtor submits its Schedules of Assets and Liabilities (the “Schedules”) and Statement of Financial Affairs (the “Statement”) pursuant to Section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

The Schedules and the Statement have been prepared by the Debtor’s current management with the assistance of certain of its professionals. The Debtor has endeavored to ensure that the Schedules and Statement are accurate and complete. The Debtor notes, however, the following matters with respect to the preparation of the Schedules and the Statement.

1. The Debtor’s proposed Chief Restructuring Officer (“CRO”) was appointed on or about June 7, 2018. Accordingly, the CRO has limited “institutional knowledge” regarding the Debtor’s financial affairs.
2. The Debtor has prepared the Schedules based largely upon its review of financial records in the Debtor’s possession that may have been prepared by former employees of the Debtor. Such financial records generally are not audited.

While the Schedules and the Statement are materially accurate to the best of the Debtor’s belief, under the circumstances of this case, the Debtor cannot warrant the accuracy and completeness of the Schedules and the Statement. The Debtor reserves the right to amend the Schedules and the Statement as appropriate based upon a subsequent receipt of information that may result in a change in the disclosures contained in the Schedules and the Statement.

Unless otherwise stated, the asset and liability data contained in the Schedules and the Statement are reflected as of June 8, 2018, the date the petition was filed in this Chapter 11 case (the “Petition Date”). Valuation methodologies are as indicated in the Schedules (e.g., orderly liquidation value or book value). Actual fair market values may differ materially from the values indicated.

It would be prohibitively expensive, unduly burdensome and extremely time-consuming to obtain current market valuations of the Debtor’s assets. Moreover, the value of certain assets, such as potential litigation claims, is impossible to determine at this time. Accordingly, in certain instances, values of assets are stated as “unknown” or “uncertain.” The reader therefore should not place undue reliance upon the values listed for the Debtor’s assets in the Schedules.

Any failure by the Debtor to designate a claim listed on the Debtor’s Schedules as “disputed,” “contingent” or “unliquidated” does not constitute an admission by the Debtor that such amount is not “disputed,” “contingent” or “unliquidated.” The Debtor reserves the right to subsequently designate any claim as “disputed,” “contingent” or “unliquidated.” The Debtor further reserves the rights to dispute, object to, assert counterclaims, rights of setoff, rights of recoupment, or defenses to, subordinate, avoid, and/or obtain reclassification of any claim or any interest in property securing such claim.

The dollar amounts of claims listed may be exclusive of contingent and unliquidated amounts, such as accrued interest or attorneys' fees and costs.

The claims of creditors for, among other things, merchandise, goods, services, or taxes may be listed as the lower of the amounts invoiced by such creditor or the amounts entered on the Debtor's books and records and may not reflect credits or allowances due from such creditors to the Debtor. The Debtor reserves all of its rights with respect to any such credits and allowances.

The identity of some of the holders of claims might have changed over time due to trading and/or transfer of certain of these claims. It is the Debtor's belief that, as of the Petition Date, the claims against the Debtor were held by the entities identified in the Schedules.

Each Schedule and the Statement is subject to further amendment by the Debtor.

SCHEDULE A/B DISCLAIMER

The Debtor has obtained no current appraisals of the value of these assets. The actual value of the assets listed may differ significantly from the amounts reflected in Schedule A/B.

GENERAL NOTES REGARDING SCHEDULE D

The Debtor reserves the right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured claimant listed on Schedule D. Moreover, although the Debtor has scheduled secured claims on its Schedule D, the Debtor reserves all rights to dispute or challenge any secured nature of any claimant's claim or the characterization of the structure of any such transaction, or any document or instruments related to such claimant's claim.

Any failure by the Debtor to designate a claim on Schedule D as "contingent," "unliquidated" or "disputed" does not constitute an admission by the Debtor that such claim is not contingent, unliquidated, or disputed, and the Debtor reserves the right to dispute, or to assert offsets or defenses to, any claims reflected on Schedule D as to amount, liability, classification or otherwise and to subsequently designate any such claim as disputed, contingent or unliquidated.

Schedule D is subject to further amendment by the Debtor. The description provided for a claim in Schedule D is intended only to be a summary of such claim. Reference to the applicable credit agreement and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing herein shall be deemed a modification or interpretation of the terms of such agreements.

The Debtor reserves the right to assert that any claim listed on Schedule D with respect to equipment, an interest in which has been acquired by the Debtor, does not reflect a secured claim, but instead reflects a lease subject to the provisions of Section 365 of the Bankruptcy Code.

GENERAL NOTES REGARDING SCHEDULE E/F

The Debtor's characterization of the claims listed in Schedule E as priority claims is preliminary in nature and the Debtor reserves its rights to amend Schedule E, and/or dispute and challenge whether, and to what extent, such claims are entitled to priority.

The amounts stated in Schedule F for the claims of any parties to contracts with the Debtor do not include any claims for breach of contract or other damages; the stated amount is the amount of the account payable owing to the contract party as of the Petition Date in the Debtor's books and records.

The claims listed on Schedule F are subject to further review, reconciliation and amendment by the Debtor.

GENERAL NOTES REGARDING SCHEDULE G

While effort has been made to ensure the accuracy of Schedule G (Schedule of Executory Contracts and Unexpired Leases), the Debtor does not make, and specifically disclaims, any representation or warranty as to the validity or enforceability of contracts, agreements or documents listed in Schedule G. The Debtor hereby reserves the right to dispute the validity, status, characterization or enforceability of contracts, agreements and leases set forth in Schedule G and to amend or supplement Schedule G. By listing a contract or lease on Schedule G, the Debtor is not admitting that such contract or lease is an executory contract or lease pursuant to Section 365 of the Bankruptcy Code and reserves the right to dispute any such classification.

The Debtor reserves the right to assert that any lease listed in Schedule G is not a true lease but constitutes a secured transaction.

NOTES REGARDING CONSOLIDATION OF OPERATIONS

While the eight related Debtors are separate legal entities, the Debtors, other than Debtor Components Exchange, LLC (collectively, the “HMT Debtors”), generally have operated on a consolidated basis. The Debtors, together with two non-debtors, Twin River Contract Loading, Inc. and Big Canyon Environmental, LLC, have prepared financial statements on a consolidated basis. The HMT Debtors have used one cash management system to administer all receipts obtained by the HMT Debtors and all disbursement made by the HMT Debtors in connection with the operation of their businesses. All cash collected from revenues generated by the HMT Debtors is earned by Debtor Howell Munitions & Technology, Inc. (“HMT”) and deposited into one checking account held by HMT. Payroll and all other expenses incurred by the HMT Debtors are paid from this one checking account. HMT pays all expenses because HMT is the party that contracts with, and is indebted to, third parties for the operation of the Debtors’ businesses.

Based upon the consolidated nature of the HMT Debtors’ pre-petition operations, Schedules E and F for the HMT Debtors generally list the same obligations.

Components Exchange’s operations largely have been maintained separately from the HMT Debtors. Accordingly, Schedules E and F for Components Exchange differ from Schedules E and F of the HMT Debtors.

The Debtor reserves the right to amend the Schedules, including Schedules E and F, as circumstances warrant.

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
